

What's important in learning English is just keep doing in everyday life and make the most of what you have around you. And... if you are a student of Minako sensei, you're at an advantage at that time. So just, why don't you use the opportunity that you are in her class and...it's not an option, just you have to, like, take advantage of being in her class, and you can actually learn a lot of things that are important in learning English.
